Ray Luckett will be running a bike maintenance session for Tyneside Vagabonds club members on Monday 8th February, 7.30 - 9.00 pm, at Westmoor Community Centre, Benton Lane, Newcastle, NE12 7NP.

Ray previously ran some sessions for the WAGs and the popularity of these prompted requests from other club members for something similar to be offered again, this time to the whole club.

The session will cover bike cleaning (how and why!) and a range of practical, 'get you home' roadside repairs.

There is a small fee of £2 for the event, payable on the night, and refreshments will be provided.

Please use [the event post](#) on the club forum to add your name to the list of attendees.
